How to Stake Tfuel to Elite Edge Node

- Thetaboard supports always opening your Theta Wallet using the available link at the top of https://www.thetatoken.org/ to avoid following scam links.

- Thetaboard also recommends using a laptop/pc where available for the staking process as it requires having multiple browser tabs open.

- You should have a minimum of 10001 Tfuel in your Theta Wallet.

STEP 1

OPTION A

If you plan on running your own Elite Edge Node on a home computer, visit https://www.thetatoken.org/ and download the relevant Edge Node software.
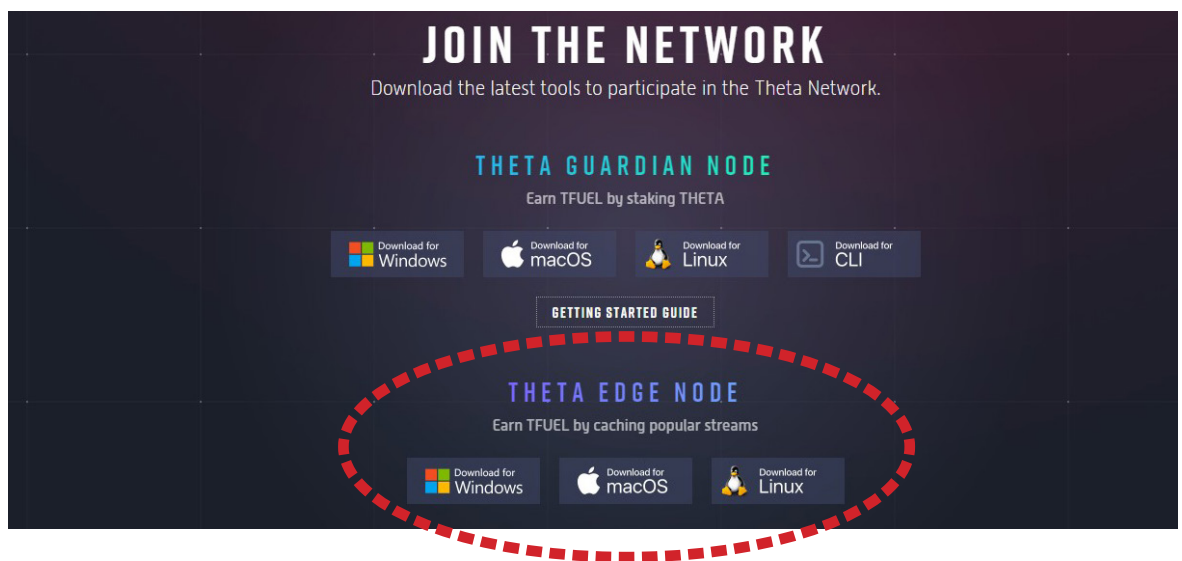

OPTION B

If you plan on delegating to a Thetaboard Egde Node, visit https://thetaboard.io/ and select:
- TFUEL page for staking between 10,000 TFuel and 100,000 Tfuel, or
- TFUEL VIP page for staking greater than 100,000 Tfuel
